

# A HEALTHY TREE is a HAPPY TREE

## WE CARE . . . TREE CARE

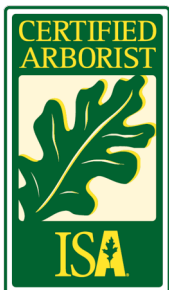

### Tree Planting

Water thoroughly after planting.  
During dry periods occurring within the first year of planting, soak the planting hole once a week.

Fertilize only in special circumstances if recommended by your nursery professional.

Frady Tree Care takes great pride and passion to care for your trees. Trees are TREMENDOUS renewable resources. They are valuable in respect to life and your landscape. We are here to serve your tree care needs by preserving and enhancing the quality of your property through tree care education and services.

Please call 888-853-8733 to schedule a free consultation with a certified arborist from Frady Tree Care. Thank you for visiting [www.fradytrecare.com](http://www.fradytrecare.com).
